## Trove Excavation Update

Construction has begun and demolition is well underway to build a completely new kind of Children's Library - *The Trove*.

The City of White Plains has committed \$2 million to build the space and The White Plains Library Foundation has set a goal of \$1 million in private support to creatively outfit the space to produce an

entrancing and enticing learning environment for children unlike any other in our area. The Foundation is pleased to announce that \$625,000 of the goal has already been raised. We invite you to be part of the adventure! For more information about the campaign, visit [www.thetrove.org](http://www.thetrove.org) or call 422-1460.
